Experience & Clubs

Wendys

Team Member: March 2021 – July 2021

Took orders from the front dine-in and drive-through. I was also responsible for keeping the diner clean. Demonstrated quick and responsive service and was acknowledged by many customers.

Nordstrom

Order Pickup: July 2021- September 2021

Managed online orders that people made and would come to pick up was also responsible for calling customers to remind them of their order being ready for pickup. I was also a part of mailing out orders for customers that can no longer pick up their orders.

Key club

Member & New Editor assistant: August 2018- March 2020

Did community service for California International Marathon, Roseville food bank, and Roseville Public Library. Have over 100+ hours of service. Also helped in creating newsletters for the Club for my high school.

CyberDyne

Club member: Just joined this Spring 2021 Semester

The goal of the club is to inform students about the engineering department and the different types of interns. They also help students in understanding concepts in programming, Cyber security, and electrical engineering.
